37TH ANNUAL CONFERENCE OF THE
CHANDIGARH OPHTHALMOLOGICAL SOCIETY
29TH–30TH August, 2026 | The Lalit, Chandigarh

WELCOME MESSAGE

Dear Colleagues,

It gives us immense pleasure to welcome you to the **37th Annual Conference of the Chandigarh Ophthalmological Society – “Solutions in Sight 2026”**, scheduled to be held on **29th–30th August 2026 at The Lalit, Chandigarh**.

This prestigious annual gathering aims to bring together distinguished ophthalmologists, clinicians, surgeons, academicians, researchers, residents, and allied professionals from across the country for two days of enriching scientific exchange and professional networking.

The conference has been thoughtfully curated to highlight the latest advances, real-world challenges, and practical solutions in eyecare. Through engaging presentations, panel discussions, and interactive sessions, delegates will gain valuable insights into contemporary clinical practices and evidence-based approaches. The program aims to provide expert perspectives that sharpen clinical thinking, along with crisp, high-yield take-home messages and actionable pearls that participants can readily incorporate into their day-to-day practice.

We are honoured that **Prof Arun Kumar Grover**, renowned physicist and former Vice Chancellor Panjab University has kindly consented to be the **Chief Guest**, and **Padma Shri Prof Amod Gupta**, Emeritus Professor, and Former Dean, Postgraduate Institute of Medical Education and Research, Chandigarh is our **esteemed Guest of Honour**.

We are privileged to have **Prof Ramanit Sihota** former Head Glaucoma Services, Dr RP Center of Ophthalmic Sciences, AIIMS, Delhi as the **Dr AD Grover oration** awardee and **Dr Muralidhar Ramanappa** Senior Consulatan, L V Prasad Eye Institute, Hyderabad as the **Prof IS Jain Oration** awardee this year.

“SOLUTIONS IN SIGHT 2026” will also provide an excellent platform for young ophthalmologists and postgraduate students to present their research, exchange ideas, and engage with leaders in the field. The conference encourages active participation and collaborative learning to inspire future advancements in ophthalmic care.

Beyond academics, we hope you will enjoy the warmth and hospitality of **Chandigarh – “The City Beautiful”** — known for its elegant architecture, vibrant culture, scenic beauty, and welcoming spirit.

We look forward to welcoming you to Chandigarh for an unforgettable academic experience filled with learning, innovation, collaboration, and camaraderie.

Warm regards,

Prof Sushmita Kaushik
Organizing Chairperson
